Great Holiday Gift Ideas from IBIDA

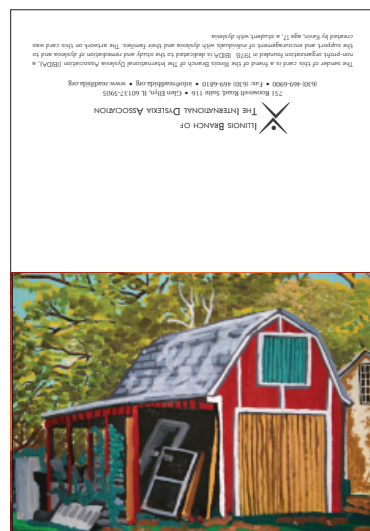

IBIDA is pleased to present our first annual calendar featuring drawings created by children with dyslexia. The calendar features a different colorful child's drawing on each page, as well as educational facts and information about dyslexia.

We also have boxes of Note Cards available for purchase. These Note Cards feature beautiful full color drawings by a child with dyslexia. Each Package contains 10

cards and envelopes (2 of each of 5 designs) for \$10.00.

They would make a perfect gift for that special teacher, student, family member or friend. Please complete the form below and return it with your payment. On behalf of all those struggling with dyslexia every day, thank you in advance for your participation!
